Item 1.03 Bankruptcy or Receivership.

As previously reported, on September 15, 2009, CIB Marine Bancshares, Inc. (the “Debtor” or the “Company”) filed a voluntary petition for relief under Chapter 11 of the United States Bankruptcy Code (the “Bankruptcy Code”), in the United States Bankruptcy Court for the Eastern District of Wisconsin (the “Bankruptcy Court”). The chapter 11 case is being administered under the caption “In re: CIB Marine Bancshares, Inc., Chapter 11 Case No. 09-33318” (the “Chapter 11 Case”). The Debtor continues to operate its business as a debtor-in-possession under the jurisdiction of the Bankruptcy Court and in accordance with applicable provisions of the Bankruptcy Code and the orders of the Bankruptcy Court.

On October 29, 2009 (the “Confirmation Date”), the Bankruptcy Court entered an order (the “Confirmation Order”) confirming the Debtor’s Prepackaged Plan of Reorganization, dated July 16, 2009 (the “Plan”). A Copy of the Plan as confirmed is attached as Exhibit 2.1 to this Current Report on Form 8-K (“Report”) and is incorporated herein by reference.

The following is a summary of the material matters contemplated to occur either pursuant to or in connection with the confirmation and implementation of the Plan. This summary only highlights certain of the substantive provisions of the Plan and is not intended to be a complete description of, or a substitute for a full and complete reading of, the Plan. This summary is qualified in its entirety by reference to the full text of the Plan. Capitalized terms used but not defined in this Report have the meanings set forth in the Plan.

I. Plan of Reorganization

A. Reorganized Company

On the date all of the conditions precedent to confirmation and consummation of the Plan are satisfied or waived (the “Effective Date”), the Debtor will emerge from bankruptcy and its obligations under the Debentures and the related Indentures, under the Declarations and under the Company Guarantees shall be canceled and each Holder of a TruPS Claim shall be entitled to receive on or as soon as reasonably practicable after the Effective Date, its Ratable Share of 100 percent of the Series A Preferred Stock of the Debtor and its Ratable Share of 100 percent of the Series B Preferred Stock of the Debtor.

B. Treatment of Claims and Interests

1. Administrative Claims: Subject to the provisions of Sections 328, 330(a) and 331 of the Bankruptcy Code, in full and final satisfaction, settlement, release and discharge of and in exchange for each Allowed Administrative Claim, each Holder of such Allowed Administrative Claim shall be paid in full, in Cash, the unpaid portion of such Allowed Administrative Claim in accordance with the terms of the applicable contract or agreement governing such Claim, if any, or otherwise in the ordinary course of business.

2. Priority Tax Claims: In full and final satisfaction, settlement, release, and discharge of and in exchange for each Allowed Priority Tax Claim, each Holder of such Allowed Priority Tax Claim shall receive Cash in an amount equal to such Claim on, or as soon as practicable

after, the later of the Effective Date or the date such Priority Tax Claim becomes an Allowed Priority Tax Claim.

3. Other Claims and Equity Interests: The Plan divides all other Claims against, and all Equity Interests in, the Debtor into various Classes. The following chart summarizes the classification of Claims and Interests under the Plan, the treatment of each such Class and the projected recovery under the Plan, if any, for each Class. The chart is not a complete description of any Class of Claims or Equity Interests. For a more detailed discussion of the treatment of Claims and Equity Interests against the Debtor, including additional information regarding the assumptions underlying the calculation of the projected recoveries, see Article III of the Plan.

<u>Class</u>	<u>Claims and Interests</u>	<u>Treatment</u>
1	Other Priority Non-Tax Claims	Unimpaired; will receive Cash in the full amount of its Allowed Claim.
2	Unsecured Claims	Unimpaired; will be paid in full, in Cash the amount of each Allowed Claim, or otherwise receive such treatment as to render such Holder Unimpaired.
3	TruPS Claims	Impaired; each Holder of such TruPS Claim will receive on or as soon as reasonably practicable, after the Effective Date, its Ratable Share of 100 percent of the Series A Preferred Stock of the Debtor and its Ratable Share of 100 percent of the Series B Preferred Stock of the Debtor.
4	Equity Interests	Unimpaired; all Holders of Class 4 Equity Interests will retain their Equity Interests, but shall not receive any distributions on account of such Equity Interests.

C. Means for Implementation of the Plan

Continuing Existence: From and after the Confirmation Date, the Debtor shall continue in existence, with all the powers of a corporation, pursuant to the applicable law in the jurisdiction in which the Debtor is incorporated and pursuant to its articles of incorporation and bylaws in effect prior to the Effective Date, except to the extent such articles of incorporation and bylaws are amended by the Plan.

Forward-Looking Information

This Current Report on Form 8-K contains certain “forward-looking statements,” within the meaning of Section 27A of the Securities Act of 1933, as amended (the “Securities Act”) and Section 21E of the Exchange Act, that represents the Debtor’s expectations, anticipations or beliefs about future events, operating results or financial condition, restructuring plans, business plans and industry trends and their potential impact on the Debtor’s business and financial results. Statements that are not statements of historical fact, as well as statements including words such as “expect,” “intend,” “believe,” “estimate,” “project,” “budget,” “forecast,” “anticipate,” “plan,” “may,” “would,” “could,” “should,” “predicts,” “potential,” “continue,” and similar expressions are intended to identify such forward-looking statements. Forward-looking statements involve known and unknown risks, uncertainties and other factors that may cause actual results, levels of activity, performance or achievements to differ materially from results expressed or implied by such statements. Such risk factors include, but are not limited to, the Debtor’s ability to continue as a going concern; the ability of the Debtor to obtain court approval with respect to motions in the Chapter 11 proceeding prosecuted by it from time to time; the ability of the Debtor to obtain and maintain normal terms with customers, vendors, employees and suppliers; the Debtor’s ability to maintain contracts and leases that are critical to its operations; the potential adverse impact of the Chapter 11 proceeding on the Debtor’s liquidity or results of operations; the effect that the “going concern” disclosure included in the opinion of the Company’s independent public accounting firm will have on the Debtor’s and its subsidiaries’ relationships with customers, suppliers, vendors and employees; the degree and nature of competition; changes in government regulations; the application or interpretation of those regulations or in the systems, personnel, technologies or other resources the Debtor devotes to compliance with regulations; the impact on the liquidity, trading volume and trading prices of the Debtor’s common stock on the Pink OTC Market; and the impact on the Debtor’s results of operations in recent years and the sufficiency of its financial resources to absorb the impact. Additional relevant risk factors that could cause actual results to differ materially are discussed in the Debtor’s most recent reports on Form 10-K, 10-Q and 8-K, as amended, filed with or furnished to, the Securities and Exchange Commission (www.sec.gov). The Debtor does not undertake any obligation to update any forward-looking statements and is not responsible for any changes made to this document by wire or Internet service.

The reorganization process presents inherent material uncertainty. It is not possible to determine with certainty the length of time it will take the Debtor to consummate the Plan or whether the Plan will be successful.

While the Debtor is in the process of restructuring, investments in its securities will be highly speculative.
