The Company is, as the result of examinations of certain of its subsidiary banks
by state and federal banking regulators, reviewing its provision for loan losses
and its allowance for loan losses. The Company is unable to file until such time
as it completes its internal investigation and other appropriate procedures as
more fully described in the Form 8-K filed on April 19, 2004.

PART IV -- OTHER INFORMATION

(1) Name and telephone number of person to contact in regard to this notification

-----	-----	-----
(Name)	(Area Code)	(Telephone Number)

(2) Have all other periodic reports required under Section 13 or 15(d) of the Securities Exchange Act of 1934 or Section 30 of the Investment Company Act of 1940 during the preceding 12 months or for such shorter period that the registrant was required to file such report(s) been filed? If answer is no, identify report(s). Yes / / No / x /

As of the date hereof, the registrant has not filed its quarterly report for the quarter ended September 30, 2003. A form 12b-25 with respect to such quarterly report was filed on November 14, 2003 and amended on November 17, 2003. Additionally, the registrant has not filed its annual report for the year ended December 31, 2003. A form 12b-25 with respect to such annual report was filed on March 15, 2004.

(3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof? Yes / x / No / /

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

The Company anticipates that there will be a significant increase in nonperforming assets and collection costs related to the foreclosure and the holding of loan related assets, and an increase in non-interest expense items in the quarterly period ended March 31, 2004 compared to the corresponding period in 2003. Additionally the implementation of liquidity strategies as a result of the Company's current risk position has resulted in a reduction in interest income. As a result, the Company expects to have a net loss for the three months ended March 31, 2004. The Company has also determined that its Quarterly Report on Form 10Q filed for the corresponding period in 2003 will need to be restated. Accordingly, the Company cannot make a reasonable estimate of the change in results of operations at this time as the investigation and review necessary to quantify the change is still underway.
